Escola Superior de Educação

## Classrooms:

15/05: B305

16/05 (morning): Paula Frassinetti

16/05 (afternoon): Paula Frassinetti

## WORKSHOP 4

'Playing for success,  
How sports can be the motor  
to keep children in school!'

In Belgium we have a high number of children at the break of poverty. School is sometimes the last thing on their mind. On the other hand, school is also for other children a burden. Playing for success aims at those children who are at risk of dropping out of school.

Lecturer: Bart Hoffman, Artesis Plantijn Hogeschool Antwerpen, Belgium
